

Access to SPEECH AND LANGUAGE THERAPY for pre-school (0-4yrs) children

Are you worried about your Child's talking, understanding or feeding?

If you are, please contact our Speech and Language Therapy service where a Speech and Language Therapist will be able to talk to you and provide advice to support your child's needs.

Please complete an online referral form via our website at:
<https://mkslt-preschoolreferral.co.uk>

SLT Pre-School referral form

Please call **01908 725299** for any queries or support.

WHAT TO EXPECT

When a Therapist has reviewed your referral, you will receive a text message to note if your referral has been accepted. When appointments are available, you will be contacted again requesting you to contact to book an initial screening assessment.

During your initial screening assessment, a Speech and Language Therapist will:

- Listen to you and discuss your concerns
- Ask questions to assess the needs of your child
- Observe your child in play
- Talk with you about ideas to help your child
- Discuss next steps

You can access our website for strategies and activity ideas to support your child's speech language and communication skills
